*****COVID-19 PROTOCOLS EFFECTIVE FOR THE 2021 BREEDING SEASON*****

1. All required paperwork (i.e. cultures, CEM certificates, etc.) for mares to be bred must be submitted electronically to booking@claibornefarm.com. No paperwork will be accepted at the breeding shed. ***We do not use shed forms!***
2. Outside individuals (van drivers / mare attendants) may not come into the prep area or breeding shed. Your mare must be offloaded and handed off to a Claiborne Farm shed employee (using the shed's shank) who will handle the mare through the process. Van drivers and anyone else accompanying the mare to the shed must remain outside in the parking area while maintaining social distance from other individuals.
3. After cover, the mare will be returned to the loading area and handed off to the attendant for loading onto the van.
4. The breeding shed shank will be cleaned before returning to the shed or reuse and all breeding equipment (leg straps, collars, boots etc.) will be cleaned before reuse.
